To Whom It May Concern,

Re: Times Change Women's Employment Service

We have had the pleasure of obtaining trainees from this organization and they have all been competent, fast learners and eager workers. Ms. Romanita Ciobanu as a Job Developer has been very helpful in choosing the right candidates with the right fit for our firm.

The trainee's have come in from the first day with a positive attitude and professional demeanour which has helped them successfully work with our organization.

We have never been disappointed with any of the trainee's that Ms. Ciobanu has recommended us and would continue to welcome additional candidates that she feels would be ideal for our environment.

Yours truly,
