WOMEN'S EMPLOYMENT SERVICE

Effective Internet Navigation

Making online job search easy!

Learning Outcomes:

1. Overview of Web Browsers:

- Firefox, Internet Explorer, and Chrome
- Modifying search phrases for effective results
- Narrowing search results
- Creating and managing favorite sites
- Creating/deleting folders
- Organizing and filing search results

2. Efficient printing techniques:

- Shrinking documents
- Choosing specific pages
- Printing selected text

3. Accessing the web for job search:

- Access search engines beyond Google
- Discover hundreds of online job postings
- Filter postings to match your specific job search
